COURTENAY-COMOX REAPS BENEFIT OF COMMUNITY GAMING GRANTS

Our community has countless people, volunteers, and non-profits who work hard to support others and help them thrive. We've got some stellar non-profit organizations that people in our community rely on to make their lives better.

Through the Community Gaming Grants program, our government is supporting 33 organizations in the Courtenay-Comox region with over \$1,000,000 in funding.

These organizations serve countless people, from all walks of life in Courtenay-Comox. Whether it is the Comox Valley Hospice Society, the Comox Valley Head Injury Society, Lush Valley Food Action Society, or any of the other 30 local organizations receiving funding- I am so grateful for their contribution.

Our government will distribute more than \$61 million in grant funding, which means people can continue to access services that enhance health and wellbeing.

PARENTS ENCOURAGED TO REGISTER CHILDREN UNDER 5 FOR COVID-19 VACCINE

Getting vaccinated is the best way to protect yourself, your loved ones, and your community. We're encouraging parents to register children under the age of 5 for the COVID-19 vaccine and to do so when they're invited to book an appointment, starting August 2, 2022. The COVID-19 vaccine for the six-month to four-year-olds will be available in our community through health authority child-friendly clinics.

CAMPER'S CODE ON BC PARKS DAY!

As British Columbians celebrate Parks Day on Saturday, July 16, 2022, we encourage everyone to take the pledge to follow the Camper's Code. The Camper's Code includes pledges to pack out garbage to help keep parks clean, respect other campers, and to keep a clean campsite to avoid attracting wildlife. Following the Camper's Code will help ensure parks continue offering people enjoyable opportunities to connect with nature. Happy Parks Day everyone and have a great weekend!
